Your practice card is designed to help you establish an organized routine for daily practice. A practice card is not needed to be able to tell if you have practiced! How you improve from day to day and week to week reveals that fact. Honesty is the best policy concerning practice time. It is helpful for parents to be involved in the student's practice and progress. Your encouragement and support are vital to their success.

1. Write down the total number of minutes per week.
2. Turn in your card every **MONDAY** (or on dates listed). Parents **must** sign this card each week for a grade.
3. Late practice cards will not be accepted.
4. The lowest practice card grade will be dropped at the end of each nine weeks grading period.
5. All time outside of class may be counted on this card; such as private lessons, sectionals, extra rehearsals, clinics, etc...
