# PRIVATE LESSON PROGRAM

Supplemental lessons are available through the band program to all band students. Individual instruction is extremely beneficial due to the one on one teaching environment. The supplemental teacher is able to design a program that meets each individual's needs and each student is able to progress at his/her own rate of ability.

Professional teachers on each instrument are available to teach these lessons during band class, wolf time, before or after school. Lessons will be scheduled at your convenience on a first-come- first-served-basis. Students will be taught once a week. The cost of these lessons is \$20 per 25- minute lesson. Checks are made payable directly to the private instructor. Financial aid is available if needed.

Much of the success throughout the GCISD Band Program can be attributed to the supplemental lesson program and the superior private lesson staff. The high number of students enrolled in the program throughout the district has allowed the bands to maintain a high standard of performance.

## **Student's/Parent's responsibilities to the private lesson teacher:**

1. Be fully prepared for each lesson.
2. Bring a pencil, method books, and any other required material to each lesson.
3. Keep a written assignment for each lesson.
4. Notify the supplemental teacher 24 hours in advance in the event a lesson must be missed. Failure to do this will result in an unexcused absence and the lesson must still be paid for. Excused absences by the student or the teacher shall be rescheduled or the money will be refunded.
5. The cost of each lesson is \$20. Payment should be made by check directly to the supplemental teacher. Lessons should be paid one month in advance. Please give the check to the supplemental teacher or put the check in an envelope and place it in the lesson box located in the band office.

Your child's director will be utilizing SmartMusic®. This one-of-a-kind software is an essential home-practice tool for students of our Cross Timbers MS Band. It will help your child stay motivated, practice more, submit their required assignments, and progress quickly. Plus, it's fun!

As a student, your child will order a one-year SmartMusic subscription for \$20. Ordering is simple; just select SmartMusic on the CTMS Band Registration Night.

### NEW & IMPROVED

SmartMusic is now *web-based*. Your director will receive an activation code for your child's pre-paid order. Upon students receiving this activation code, they will simply log on to the SmartMusic website and activate their subscription using their code. It's that simple!

And since this incredible program is now *web-based*, students will have access to their subscription from any computer! SmartMusic is also now available on iPad with a paid subscription.
